Department: Creative
Location: Bournemouth

Welcome to Quantum

We're an independent brand experience agency creating BIG ideas that work in MANY places.

We create campaigns that change customer behaviour by turning great STRATEGY into tangible ACTION.

Who are we?

We are a team of thinkers and doers. People that understand people.

A challenger brand, working with challenger brands.

We practice what we preach. Creativity. Agility. Impact.

We do what it takes to change behaviour.

To make the complex, simple - the theory, tangible - the intimidating, inspiring for consumers, shoppers, and stakeholders.

We turn strategy into action, and action where it's needed.

Big ideas. Many places.

Who we're looking for

WE need an inspiring midweight / senior designer to join our growing team. You will be both inspired and inspiring; capable of big idea thinking and motivating those around you to deliver their best too.

You'll need to be exceptional in the usual design-based applications (Adobe Creative Suite) but more than that, we truly celebrate creative thinking and are genuinely looking for someone that backs up their skills with ideas and creative talent.

Our work spans traditional and new media, so whilst typical graphic design skills are a given, a passion for digital and 3D would be a huge bonus too.
